

Transuper

Employer direct debit request Service agreement

Why an agreement?

Through the Direct Debit Request ('DDR') you are allowing us to debit amounts from your bank* account. The amount, how often and the date we will debit your account depends on what you instructed us to do.

If Transuper wants to change this agreement

We will notify you at least 14 days before making any changes to this agreement.

If you want to change your direct debit or make an enquiry

Please contact our Customer Service Team on 1800 808 799 if you wish to:

- delay or change your DDR – you need to advise us at least three days before the date we will debit your bank account, or
- cancel the DDR – you need to advise us at least three days before the date we will debit your bank account, or
- dispute a debit that has been made from your bank account – Transuper will respond to your dispute within five business days.

Weekends and public holidays

We will always try to debit your account as per your instructions, except when the due date falls on a weekend or public holiday. In this case we will debit your account on the next business day.

Make sure you have enough money in your account

You should make sure that you always have enough cleared funds in your account for us to debit your account.

If there isn't enough money (that is, cleared funds) in your account, we will still make the debit. But, if your bank dishonours the debit, we may pass on to you any dishonour fees and/or any costs incurred by Transuper.

Confidential

We will keep your bank account details confidential except when a court order applies, if Transuper's bank needs information about your account, or if you give us permission to reveal your bank account details.

Check that you give us your correct details

Before completing the Transuper DDR, please check with your bank that:

- your bank account accepts direct debiting as some accounts do not, and
- the account number you give us is correct (refer to your bank statement or contact your bank, if necessary).

* Please note that where we talk about 'bank', this could also mean other financial institutions.
